TO: Avoca School District Board of Education
FROM: Avoca West Mathematics Committee
RE: **Math Curriculum Committee Recommendation**

The Avoca West Mathematics Committee recommends that the Board of Education approve:

1. The adoption of the ISBE Scope and Sequences as a framework for curriculum implementation
2. The purchase of Bridges classroom kits, teacher guides, and intervention kits (see budget below)
3. The mathematics implementation plan, which includes, but is not limited to: professional development for teachers, communication with stakeholders, the curriculum document delineating must dos/may dos, and data use to guide implementation
4. The budget for the additional resources to support the implementation plan (manipulatives, children’s literature, organizational supplies, online resources, etc.)

Budget for Mathematics Curriculum Resources:
