Ms. Scullion,

At this time, Avoca is not in possession of the report that you are requesting, the Administrator's Summary reports for the 2016 ERB/CTP4. We are aware that it may become available at some point.

As it is not aligned to the Illinois State Standards/Common Core State Standards, which is what Avoca uses as the foundation of our curriculum, it is not a report that we actively seek. If you become aware that the report has been sent to the New Trier sender districts, feel free to request it again.

Thank you,
Kevin Jauch

Dear Dr. Jauch:

Pursuant to the Illinois F.O.I.A., I am requesting a copy of your district's Administrator's Summary report for the 2016 ERB/CTP4 student testing. The test was administered by New Trier in November/December 2016, and New Trier provided the summary report to each feeder district this month.

This information can be e-mailed to me at katie@scullionconsulting.com.

Thank you for your compliance.

Katie Scullion
