Dear Dr. Jauch:

This is a request under the Illinois Freedom of Information Act. I am sending this request to all Chicago-area school districts, to find out which have school resource officers (SROs) assigned to any or all of their schools.

Under the Illinois Freedom of Information Act, I am requesting documents sufficient to show which schools in Avoca School District 37 have a school resource officer (SRO) assigned; and – if there is an SRO in the school – I am also requesting documents showing all policies and guidelines for that school resource officer.

Please send all requested documentation to me at [katie.kim@nbcuni.com](mailto:katie.kim@nbcuni.com). If you are not able to send these records electronically, please contact me as soon as possible, so that I can arrange another way to get these records from you. And if there is any way in which I can help in gathering this information and documentation, I would be happy to do so.

Because these records are in the public interest, I ask that you waive any reproduction fee. And if you deny this request, please tell me on what grounds, and to whom I should appeal.

If you have any questions or need any additional information, please don't hesitate to contact me at [katie.kim@nbcuni.com](mailto:katie.kim@nbcuni.com) or at (312) 836-5577. Thank you so much for your time and consideration in this matter.

Sincerely,

Katie Kim
